

Dr. Feelgood, Don't You Just Know It

I can't lose with the stuff I use (Don't you just know it)
Baby don't believe how a true love should (Don't you just know it)

Chorus: Ah ha ha ha (Ah ha ha ha)
Hey-eh-oh (hey-eh-oh)
Goomba-goomba-goomba-goomba (goomba-goomba-goomba-goomba)
Ah ha ha ha (Ah ha ha ha)
Ah ha ha ha (Ah ha ha ha)
Hey-eh-oh (hey-eh-oh)

Hey pretty baby can we go strolling (Don't you just know it)
You gotta be rockin' when I wanna be rollin' (Don't you just know it)

Ah ha ha ha ...

Baby baby you're my blue heaven (Don't you just know it)
You got me pushin' when I wanna be shoving (Don't you just know it)

Ah ha ha ha...

Ah ha ha ha...

The older the woman the more she teases (Don't you just know it)
The younger the woman the tighter she squeezes (Don't you just know it)

Ah ha ha ha...
Ah ha ha ha...
