

Dr. Feelgood, (I Wanna) Make Love To You

(J. L. Williams)

How could I explain
This feeling that's true
Honey I can hardly stand it
I wanna make love to you

When the stars fall from the heavens
And the rivers have stopped to flow
If you just stop and talk to me
Honey that's when I know

I ain't gonna try and tell ya
How it's made me so blue
Sitting alone and wondering
I wanna make love to you

Please stop and tell me
Tell me you want me too
Oh come on baby
I wanna make love to you

I wanna make love to you
I wanna make love to you
I wanna make love to you
I wanna make love to you

- Guitar Solo -

When the stars fall from the heavens
And the rivers have stopped to flow
If you just stop and talk to me
Honey that's when I'd know

I wanna make love to you
I wanna make love to you
I wanna make love to you
I wanna make love to you

I wanna make love to you
Uh come on baby
I wanna make love to you
I wanna make love to you
I can't stand it baby
Make love to you
I wanna make love to you
Uh talk to me
I wanna make love to you
