

# Dr. Feelgood, No Mo Do Yakamo

(Krekel)

No mo do Yakamo  
What you say, no more pay  
Here's the catch, no more scratch  
No mo do Yakamo

No mo do Yakamo  
Living high, lying low  
Living fast, dying slow  
No mo do Yakamo

Don't let it alarm ya  
Think of it as karma  
You were really burning for a while  
Wasting every dime  
Spending it like time  
Guess you gonna have to change your style

No mo do Yakamo  
Living high, lying low  
Living fast, dying slow  
No mo do Yakamo
