

Dr. Feelgood, Talking About You

Let me tell you 'bout a girl I know
I met her walking on an uptown street
She's so fine, you know, I wish she was mine
I get the shivers every time we meet

Talkin' bout you
Yeah, I do mean you
Nobody but you
Baby let me get a message to you, yeah

Let me tell you 'bout a girl I know
Yeah, tell you now she looks so good
So much skills, she's got a beautiful build
She ought to be somewhere in hollywood

I'm talkin' bout you
Yeah, I do mean you
Nobody but you
Baby let me get a message to you, yeah

- guitar break -

And let me tell you 'bout this girl I know
She's sitting right here by my side
Lovely indeed, that's why I asked her if she'd
Promises to someday she would be my bride

I'm talkin' bout you
I do mean you
Nobody but you
Baby let me get a message to you, yeah

Yeah, let me tell you 'bout a girl I know
I met her walking on an uptown street
She's so fine, you know, I wish she was mine
I get the shivers every time we meet

I'm talkin' bout you
Hey, I do mean you
Nobody but you
Baby let me get a message to you, yeah
