

# Dr. Feelgood, World Keeps Turning

(Peter A. Green)

I don't look for no worries  
Worries and troubles come around  
I don't look for no worries  
Worries and troubles come around  
World keep on turning  
Got to keep my feet on the ground

Nobody saw me crying  
Nobody knows the way I feel  
Nobody saw me crying  
Nobody knows the way I feel  
The way I loved that woman  
It's bound to get me killed

- Guitar Break -

Love the little girl so good  
Make my low down body come  
Love the little girl so good  
Make my low down body come  
I need that woman so bad  
I need her like the sky need the sun
