

# Dr. Hook, Michaelangelo

Michaelangelo  
Was giving a one man show  
He had statues with such feeling  
He had his Cistine Chapel ceiling

People came from Cocamo  
Just to see this one man show  
They say we can't believe what we've seen  
Tell us Michael what does all this mean?

And he says that's what I do when I can't get no pussy  
That's what I do when I can't get no pussy  
That's what I do when I can't get no pussy  
And I don't get no pussy at all

William Shakespeare was working at home  
Finishing up a brand new poem  
And a book of sonnets he wanted to write  
And three plays he had to finish that night

He said I'll call this one Hamlet and this one Macbeth  
And this one Othello and I'll take a short breath  
That's when Francis Bacon appears  
And says tell me man where d'ya get all them ideas?

And he says that's what I do when I can't get no pussy  
That's what I do when I can't get no pussy  
That's what I do when I can't get no pussy  
And I don't get no pussy at all

You all remember Atilla The Hun  
Don't think he thought that war was fun  
But whether the battle was lost or won  
He'd just look out at the bodies that were rotting in the sun

And say It's just what I do when I can't get no pussy  
It's just what I do when I can't get no pussy  
It's just what I do when I can't get no pussy  
And I don't get no pussy at all

(Thank-you  
For what?  
For nothin'  
hahahaha)
