

# Dr. Hook & The Medicine Show, A Couple More Years

(S. Silverstein/D. Locorriere)

I've got a couple more years on you babe, and that's all  
I've had more chances to fly, and more places to fall  
And it ain't that I'm wiser, it's only that I've spent more time with my back to the wall  
And I've picked up a couple more years on you babe, and that's all  
I've walked a couple more roads than you babe and that's all  
And I'm tired of runnin' while you're only learning to crawl  
And you're heading somewhere, but I've been to somewhere and found it was nowhere at all  
And I've picked up a couple more years on you babe, and that's all  
Now saying goodbye girl, don't never come easy at all  
But you've gotta fly 'cause you're hearing them young eagles call  
And someday when you're older you'll smile at a man strong and tall  
And you'll say I've got a couple more years on you babe and that's all  
You'll say I've got a couple more years on you babe, and that's all  
I've had more chances to fly, and more places to fall  
And it ain't that I'm wiser, it's only that I've spent more time with my back to the wall  
And I've picked up a couple more years on you babe, and that's all
