

# Dr. Hook & The Medicine Show, Sweetest Of All

(Shel Silverstein)

Out of all the nights I remember  
Of all of the loves I recall  
There are many who live in my memory  
But you were the sweetest of all  
Wasn't it sweetest of all babe  
Wasn't it sweetest of all  
I wasn't your first love, I wasn't your last  
But wasn't it sweetest of all  
Sometimes I still think about you  
Sometimes I wish that you'd call  
And sometimes I feel like your lying here with me  
And it's still the sweetest of all  
So keep your goodbyes in your pocket  
You ain't going nowhere at all  
Your memory is staying here with me  
'Cause you were the sweetest of all  
Wasn't it sweetest of all babe  
Wasn't it sweetest of all  
Of all of the lovers you let lie beside you  
Wasn't we sweetest of all  
Wasn't it sweetest of all babe  
Wasn't it sweetest of all  
Of all of the lovers you let lie beside you  
Wasn't we sweetest of all
