

# Dr. Hook, There's A Light

(Lindsey/Shell)

There's a light  
Shining in the window tonight  
There's a place in my heart for you  
It's so seldom you find someone that you really want to make love to

There's a light  
Shining in the window tonight  
There's a feeling growing stronger in me, there's a difference everyone can see  
It's so seldom you find someone that you really want to make love to

There's a light  
Shining in the window for you  
My door's open come on in  
This is the time, I know you'll see it

There's a light  
Shining in the window tonight  
There's a light, shining in the window for you

It's so seldom you find someone that you really want to make love to  
There's a light, shining in the window for you

There's a light, shining in the window tonight

There's a light, shining in the window  
There's a light, shining in the window.....
