

# Dr. Sin, Suffocation

I'm sick of exploitation  
Nothing but suffocation  
So tired of false  
Statements  
To much alienation

When will we face the  
Truth  
Are we all fools?

No, nobody is gonna tell  
What to do  
No, I'm really not afraid  
Lose

Don't push your medication  
Insane intoxication  
We're lost illusion  
Blind faith and no  
Conclusion
