## Drag On, Get It Right

[Dmx]{Hook}
Drag-On, niggas act on
Messin wit the team it's gon be a sad song
X, will bring the day and the night
Cuz we get it right, get it right, spit it right

## [Dmx]

Moves is made, niggas is paid, that's just how it is When my time is up I'ma be out but I'ma try to live I'm eatin day by day, aint nothin sweet about it Act like you don't know what I'm sayin then you read about it Built for war like a armadillo Smokin yo' ass put two through the pilllow Hear my shit through windows Manic depressive and my head hurts Soon as the dead thirst I'll whet him first Now wait a minute it gets worse I can't control what I own inside So I take it out on the soul of that kid that died Spit fire, cross niggas like barbecues Mobbin crews, strippin niggas, robbin crews And put him speechless, when I made him eat this Hollow tip and you can follow grip You be like Kim and aint gon swallow shit Don't know the half, couldn't know the math To understand the wrath of a man split in half But he got what he wanted, shot for three hundred Shit is tight and a nigga that's right gots to run it Aint no question, that's how I get down Niggas know gimme yo' dough and yo' hoe, and here take these fo' Hot things I got things that make niggas spin Put niggas in the wind, where you never see niggas again Bless a nigga with fifties the thin types And a straight blast that'll put pinstripes across your windpipe
