

Dragonforce, The Last Journey Home

Strangers to reason, our bleeding hearts so cold,
Life brings a change in season, fear will blind us all,
In the silence one moment alone,
Cast away scattered far on the wasteland.

Send the soul from the forgotten sickness, and escape this lie,
Challenge the dream before the long departed, a mindless rhyme,
Whoa, oh, oh,
Hear the burning thunder roll,
Whoa, oh, oh, oh, oh, ohhh.

Whoa, oh, oh,
Still lost in a fire storm,
Tonight we feel the past return.

Lost inside the dream pass by the life we'll live forever,
Still the wasted time left burning below,
One thousand shattered voices, lost inside an endless wonder,
Tonight her voice will take me home.

[Chorus]

Shine glorious we run, we stare into the blackened sky,
Save the last command, the virtue blinding,
So far beyond the sun, still burning with the fire inside,
Once alone again, silent stares for our last journey home.

Paralyzed, intensified, mutation, frustration,
Everlasting lifetime in the underworld,
We'll travel endlessly, deluded disjointed,
One man cant understand this sad misery.

Whoa, oh oh oh ohh,
Whoa, oh oh ohh,
Whoa, oh oh oh oh oh ohh.

They've taken my heart,
They've taken my soul,
And now we stand alone insanity.

In time we'll see the past unwind,
Alive, still wandering our fallen land,
One more time we stare into the blackened sky,
For tonight, in our hearts now we feel,
One last time see our destiny reveal.

[Chorus]

Shine glorious we ride, we stare into the blackened sky,
Save the last command, the virtue blinding,
So far beyond the sun, still blinded with the fire inside,
Once alone again, the silence stares

Shine glorious tonight, still blinded by the blackened sun,
Save the last command, forever rising,
So far beyond they come, still blinded with the fire inside,
Once alone again, silent stares for our last journey home.
Silent stares for our journey home.
