

# Dragonhammer, Free Land

(Aguzzi, Valdambrini)

Lost in time and in space  
Modern evolution  
Ancient rage, reluctance  
With the revolution

(BRIDGE)

We could fly, be free  
but today the sky dies  
We could be all free  
Wrong angels in lost heaven  
This cruel destiny  
Our future is under pressure  
Of human egoism

(CHORUS)

Free land, Free land, Free land  
I want to see ...Searching...  
Free land, Free land, Free land  
I want to see

Dreams chained to the past  
When the flowers spoke to us  
Arrivism and arrogance  
Maybe now it's too late

(BRIDGE)

(CHORUS)
