

Drake, Back To Back Freestyle

Oh man oh man oh man

Not again

Yeah I learned the game from William Wesley, you can never check me

Back to back for the niggas that didn't get the message

Back to back like I'm on the cover of Lethal Weapon

Back to back like I'm Jordan '96, '97

Whoa, very important and very pretentious

When I look back I might be mad that I gave this attention

But it's weighing heavy on my conscience

And fuck, you left a boy no options

I wanna see my niggas go insane

You gon' make me step out of my fuckin' frame

You gon' make me buy bottles for Charlemagne

You gon' make me go out of my fuckin' way

I waited four days nigga, where y'all at?

I drove here in the Wraith playing AR-AB

I'm not sure what it was that really made y'all mad

But I guess this is what I gotta do to make y'all rap

I mean woah, can't fool the city man, they know what's up

Second floor tootsies, getting shoulder rubs

This for y'all to think that I don't write enough

They just mad 'cuz I got the midas touch

You love her, then you gotta give the world to her

Is that a world tour or your girl's tour

I know that you gotta be a thug for her

This ain't what she meant when she told you to open up more

Yeah, trigger fingers turn to twitter fingers

You getting bodied by a singing nigga

I'm not the type of nigga that'll type to niggas

Shout out to all my boss bitches wife-in niggas

Make sure you hit him with the preup

Then tell that man to ease up

I did another one, I did another one

You still ain't did shit about the other one

I got the drink in me going back to back

Yeah, going back to back

Got the drink in me going back to back

Yeah, I'm going back to back

I don't wanna hear about this ever again

Not even when she tell 'em that they better as friends

Not even when you sayin' "Drizzy tell 'em again"

I been puttin' on a show it was a sell out event

You need better seating

I didn't wanna do it, gave me every reason

The point I'm tryna make is I don't ever need 'em

See, what you do for fame or what you'd do for freedom

Please, check 'em for a while or a earpiece

Please, please do not let these niggas near me

Please, think before you come for the great one

Please, who's a real nigga and who ain't one?

Please, somebody stop me

I'm talking ballsy and running wild, see

I got the fest in five days and it's my shit

Soon as a nigga hit the stage, they gon'

They gon' ask if I can play this shit back to back

Yeah, they want it back to back

They gon' ask if I can play this shit back to back

I took a break from Views, now it's back to that, nigga
