

Drake Bell, I Found A Way (Drake And Josh Theme)

I never thought that it'd be so simple but
I found a way, I found a way
I always thought that it'd be too crazy but
I found a way, I found a way
if you open up your mind
See what's inside
it's gonna take some time, to realize
But if you look inside, I'm sure you'll find....
Over your shoulder you know that
I'll always be pickin' you up when you're down
So just turn around
Now that I know that anything's possible
I found a way, I found a way
No one can break what is so unbreakable
I found a way, I found a way
And if you open up your mind
See what's inside
Well it's gonna take some time, to realize
But if you look inside, I'm sure you'll find
Over your shoulder you know that I told you
I'll always be pickin' you up when you're down
So just turn around
