

Drake, Big Rings

Yeah

I know we just signed a deal, but

I need my advance on the next one too, they know I'ma be around

Yeah

I need it

(Metro Boomin want some more, nigga)

'Cause I got a really big team

And they need some really big rings

They need some really nice things

Better be comin' with no strings

Better be comin' with no strings

We need some really nice things

We need some really big rings

I got a really big team

I got a really big team

They need some really big rings

They need some really nice things

Better be comin' with no strings

Better be comin' with no strings

We need some really nice things

We need some really big rings

I got a really big team

Man, what a time to be alive

You and yours vs. me and mine

Oh, we talkin' teams? Oh, we talkin' teams?

Oh, you switchin' sides? Wanna come with me?

Look at the smile on me, look at the owl on me

I do not chase girls, but they run a mile for me

Say she gon' ride for me, I'll buy the tires for you

This game is different, you only get one shot when niggas go foul on you

Man, fuck 'em all, man, we want it all

Don't get too involved, we gon' knock you off

And to top it off, I'm with all the dogs

It's a new season and we still breathin'

And I got a really big team

And they need some really big rings

They need some really nice things

Better be comin' with no strings

Better be comin' with no strings

We need some really nice things

We need some really big rings

I got a really big team

I got a really big team

They need some really big rings

They need some really nice things

Better be comin' with no strings

Better be comin' with no strings

We need some really nice things

We need some really big rings

I got a really big team

Man, what a time to be alive

I'm drinkin' lean, they thought I died

I run with kidnappers, I'm talkin' 'bout kidnappers

I'm talkin' 'bout murderin' niggas, I'm talkin' 'bout carjackers

You just a battle rapper, I'm an official trapper

Niggas be droppin' subliminals, nigga, they're just some jibber-jabber

We take a Mello Yello, then we fill it with red forever-ever

These niggas so jealous, jealous

Man, these niggas get scared, they're tellin', tellin'

I fuck a check up on everything

I bought some ice when the feds came
I bought that bitch new Celine, I got rings, I got racks like Serena
All of my rings Aquafina, my bitch Aquafina
Pluto and Jupiter, I go to Venus
I'm fresh out the store, but I'm not out the cleaners
Who keepin' score? 'Cause these niggas, they're losin'

'Cause I got a really big team
And they need some really big rings
They need some really nice things
Better be comin' with no strings
Better be comin' with no strings
We need some really nice things
We need some really big rings
I got a really big team
I got a really big team
They need some really big rings
They need some really nice things
Better be comin' with no strings
Better be comin' with no strings
We need some really nice things
We need some really big rings
I got a really big team

Man, what a time
