

# Dramatics, Whatcha See Is Whatcha Get

"Some people are made of plastic  
And you know some people are made of wood  
Some people have hearts of stone  
Some people are up to no good

But baby I'm for real  
I'm as real as real can get  
If what you're looking for is real loving  
Then what you see is what you get

What you see is what you get  
What you see is what you get  
I said what you see is what you get now baby  
And the real thing is the best thing yet

You know some people  
Are made of lies to bring you down  
And shame your name  
But baby, I have good intentions  
Cause breaking hearts just ain't my game  
All I want to do is love you  
And sugar I won't pin you with regret  
If what you're looking for is real loving  
Then what you see is what you get

What you see is what you get";
