

Dream Evil, Chosen Twice

Just who do we think that we are, anyway
I leave it to you, Assume away
It's Better to burn out - than fade away
We don't care, we don't care what they have to say

They calleth us Anti-Christ
Cause we are evilized
they try to have us stoned
up from their mighty throne
but can't they see the fun
in it apparently not
but do we care a lot
No no no!

We've been accused of selling out too cheap
They look for the answers way too deep
The king is dead - long live the king
It don't mean, it don't mean, it don't mean a thing...

They calleth us Anti-Christ
Cause we are evilized
they try to have us stoned
up from their mighty throne
but can't they see the fun
in it apparently not
No no no!
