

# Dream Evil, Kingdom Of The Damned

I traveled far to reach this destination  
So many fights to get re vindication  
So here I am in this land that's been forgotten  
Its god damn hot  
And the air we breath is rotten

Is where the Dragon rules the sky  
Where you wake up just to die  
Where the river flows with sin in the Kingdom Of The Damned  
If you cant cope with a pain you will surely go insane  
In this god forsaken land, the Kingdom Of The Damned

Everything is dead  
There's no living thing in sight  
My skin burning is hot  
In this super natural sunlight  
I am not superstitious  
Because i seen it all  
I will complete my mission from my lord

Is where the Dragon rules the sky  
Where you wake up just to die  
Where the river flows with sin in the Kingdom Of The Damned  
If you cant cope with a pain you will surely go insane  
In this god forsaken land, the Kingdom Of The Damned

I cant wait  
To get out of this place  
I just want to go home  
But I got to fulfill my given task  
And then rise to my lord, to my king

Is where the Dragon rules the sky  
Where you wake up just to die  
Where the river flows with sin in the Kingdom Of The Damned  
If you cant cope with a pain you will surely go insane  
In this god forsaken land, the Kingdom Of The Damned

The Kingdom Of The Damned

The Kingdom Of The...

Is where the Dragon rules the sky  
Where you wake up just to die  
Where the river flows with sin in the Kingdom Of The Damned
