

# Dream Street, Happens Everytime

Can you hear the music playing?  
Can you feel the rhythm swaying?  
This is this sound of dreams come true  
And I can promise you that

You are the one and only  
And I'm the lost and lonely  
We are the perfect dream come true  
And I can promise you that I  
Hear a silly love song in my heart

It happens everytime  
When I see you  
It happens everytime  
When I think of you  
It happens everytime  
Oh its magic when we meet...  
Baby down on dreamstreet!

Let me take you by the hand and  
Walk you down the milky way cause  
You make me feel I'm so alive  
Though I promise baby I  
Hear a silly love song in my heart  
(oooohhhhhhhhhh)

It happens everytime  
When I see you  
It happens everytime  
When I think of you  
Oh its magic when we meet...  
Baby down on dreamstreet...  
(ahhh)  
It happens everytime  
(baby.....)  
It happens everytime  
Oh its magic when we meet  
Down on dreamstreet...

When I close my eyes  
There's angels all around  
(Singing a love song)

You know it happens everytime...  
When I see you...  
Ohh.....  
It happens everytime...  
Ohh....  
Ohh....

It happens everytime  
When I see you  
It happens everytime  
When I think of you  
It happens everytime  
Oh its magic when we meet...  
Baby down on Dreamstreet...
