

Dream Street, Happens Everytime

Can you hear the music playing?
Can you feel the rhythm swaying?
This is this sound of dreams come true
And I can promise you that

You are the one and only
And I'm the lost and lonely
We are the perfect dream come true
And I can promise you that I
Hear a silly love song in my heart

It happens everytime
When I see you
It happens everytime
When I think of you
It happens everytime
Oh its magic when we meet...
Baby down on dreamstreet!

Let me take you by the hand and
Walk you down the milky way cause
You make me feel I'm so alive
Though I promise baby I
Hear a silly love song in my heart
(oooohhhhhhhh)

It happens everytime
When I see you
It happens everytime
When I think of you
Oh its magic when we meet...
Baby down on dreamstreet...
(ahhh)
It happens everytime
(baby.....)
It happens everytime
Oh its magic when we meet
Down on dreamstreet...

When I close my eyes
There's angels all around
(Singing a love song)

You know it happens everytime...
When I see you...
Ohh.....
It happens everytime...
Ohh....
Ohh....

It happens everytime
When I see you
It happens everytime
When I think of you
It happens everytime
Oh its magic when we meet...
Baby down on Dreamstreet...
