

# Dream Street, I Miss You

Although you're so many miles away from me  
I just want you to know I could never forget you'

Sitting here in my room alone  
Got the radio on  
And it's playing our song  
I keep your picture beside my bed  
And as I hold it so close  
I keep hearing you saying  
'I love you, and wherever I am I'm thinking of you'  
So until you come back to me....

(Chorus)  
I'll send my love to you straight from the heart  
Baby I miss you, baby I miss you  
I feel you so near, though we're so far apart  
Baby I miss you, baby I miss you

Tears like rain fallin' from my eyes  
As we said our goodbyes,  
I could feel my heart break  
(Ooooooh) Only emptiness filled my soul  
(Ooooooh) I was half not a whole  
But I pray you'll come back  
Because I love you (Ooh I love you)  
And I want you to know I'm thinking of you  
Every hour of the day, baby

(Chorus)  
I'll send my love to you straight from the heart  
Baby I miss you, baby I miss you  
I feel you so near, though we're so far apart  
Baby I miss you, baby I miss you

And if the distance keeps you from my side  
It won't change my mind  
I'll be waiting for you

And even though yesterday has gone  
We can dream for today  
And believe in tomorrow

(Chorus x2)  
I'll send my love to you straight from the heart  
Baby I miss you, baby I miss you  
I feel you so near, though we're so far apart  
Baby I miss you, baby I miss you  
I'll send my love to you straight from the heart  
Baby I miss you, baby I miss you  
I feel you so near, though we're so far apart  
Baby I miss you, baby I miss you

You know I'm so lost without you

Sending all my love to you straight from the heart  
Baby I miss you  
I'll be sending all my love to you straight from the heart  
Baby I miss you  
I'll be sending all my love to you straight from the heart  
Baby I miss you  
I'll be sending all my love to you straight from the heart  
Baby I miss you.
