

Dream Street, Matter Of Time

It's just a matter of It's just a matter of It's just a matter of Time
Whoa yeah'

It's just a matter of It's just a matter of It's just a matter of Time

I know you want, to make things right
to move ahead, find a way to win the fight
and though it's hard, to keep the faith
We'll make it through, if we take it day by day

They say that all good things will come to those who wait
And if we believe in each other (believe in each other)
I know we can make it together

Baby it's just, a matter of time
If we can take it slow, everything will be alright
Let it flo
And I know that we'll find it's just a matter of time

When you feel down, and out of touch
And no ones there, no ones there to lift you up
Life's not as bad, as it may seem
Just hold on tight, and never lose sight of your dreams

They say that all good things will come to those who wait
And if we believe in each other (believe in each other)
I know we can make it together

Baby it's just a matter of time
If we can take it slow everything will be all right
Let it flow
And I know that we'll find it's just a matter of time

It's just a matter of It's just a matter of It's just a matter of Time
Whoa... Whoa
It's just a matter of It's just a matter of It's just a matter of Time

And if we ever (ever lose our way) lose our way
I know we can find (find a brighter day) a brighter day
There is no mountain (no mountain) we can't climb

(It's just a matter of Time)

It's just a matter of time
If we can take it slow everything will be all right (all right)
Let it flow (yeah)
And I know that we can make it together

Cause Baby it's just a matter of time (yeah)
If we can take it slow everything will be all right
Let it flow(ohh)
And I know that we'll find it's just a matter of time

I know that we'll find it's just a matter of time
