

# Dream Street, They Don't Understand (Alternative)

Ooh, they don't understand, no-oh, mmm mmm mmm mmm

They say we're just playing games  
That it isn't real  
But it's what we feel, oh yeah  
And they say it doesn't make sense  
That we're just wasting time  
And they wonder why, yeah

You know we got our own special language  
That only we can speak, ooh-ooh, oh yeah  
And no-one else knows what it means, oh no

(Chorus)  
They don't understand  
How we communicate  
Oh so many things that we do and say  
They don't really get  
What it's all about  
No they never can understand...

Oh, mmm mmm mmm mmm

I can't explain if they don't know why  
This is serious  
We're not delirious, wo-oh  
Why can't they see that our love is true?  
It just goes to prove, oh, they don't have a clue, no no

You know we got our own world to live in (we got our own world, uh-oh)  
And we're so far apart, oh yes we are  
To make it clear I don't know where to start, oh no

(Chorus)

No, understand... no-oh, ooh ooh yeah yeah yeah yeah

You know we got (we got) our own special language (own special language)  
That only we can speak, oh yes yeah yeah yeah (yeah yeah yeah)  
And only we know just what it means  
(What it means, what it means)  
What it means, ooh...

(Chorus x2)
