

Dream Theater, Caught In A New Millennium

A single star behind me
A red sky burns ahead
A lonely light below me
Awake among the dead

I can't hold on any longer
These feelings keep growing stronger
Echoes that deafen the mind
Will bury my voice in their wake

Caught in a Web
Removed from the world
Hanging on by a thread
Spinning the lies
Devised in my head

Living out a constant deja-vu
Keep your head up
Please be patient we will get to you
Keep your head up
Just have some faith and you can see it through
Keep your head up
What they want from me ain't gotta clue
Keep your head up
Swallow pride before it swallows you
Keep your head up
Don't dare bite the hand that's starving you
Keep your head up

How can you keep your head
And not go insane
When the only light at the end
Of the tunnel is another train

Caught in a Web
Refused by the world
Hanging on by a thread
Spinning a cage
Denied and misread

I've got this feeling
The tide is turning now baby
Funny feeling
Everything's gonna be alright now
