

# Dream Theater, Caught In A Web

Silence disguised  
I watch you  
Show me the hurt  
That haunts you  
Would you despise the thrill  
If all you hide were mine?

I can't hold on any longer  
These feelings keep growing stronger  
Echoes that deafen the mind  
Will bury my voice in their wake

Caught in a Web  
Removed from the world  
Hanging on by a thread  
Spinning the lies  
Devised in my head

I've seen the path  
The one you take  
Shows the truth  
For you to make  
This turn of phrase  
We might not see  
Is the thirst of desire  
Found so easily

Try to push me 'round  
The world some more  
And make me live in fear  
I bare all that I am  
Made of now  
Attractive I don't care  
'Cause even when I danced with life  
No one was there to share

Does this voice the wounds of your soul?  
Does this voice the wounds of your soul?

Caught in a Web  
Removed from the world  
Hanging on by a thread  
Spinning the lies  
Devised in my head

Tried to live the life  
You live and saw  
It doesn't work for me  
I bare all that I am  
Made of now  
Attractive, I can't be  
Inside the Dance of Life is one  
I'll never hold to me

You can't heal the wounds of my soul.  
You can't heal the wounds of my soul.

Caught in a Web  
Removed from the world  
Hanging on by a thread  
Spinning the lies  
Devised in my head  
Caught in a Web  
Refused by the world

Hanging on by a thread  
Spinning a cage  
Denied and misread
