Dream Theater, Caught In A Web

Silence disguised I watch you Show me the hurt That haunts you Would you despise the thrill If all you hide were mine?

I can't hold on any longer These feelings keep growing stronger Echoes that deafen the mind Will bury my voice in their wake

Caught in a Web Removed from the world Hanging on by a thread Spinning the lies Devised in my head

I've seen the path The one you take Shows the truth For you to make This turn of phrase We might not see Is the thirst of desire Found so easily

Try to push me 'round The world some more And make me live in fear I bare all that I am Made of now Attractive I don't care 'Cause even when I danced with life No one was there to share

Does this voice the wounds of your soul? Does this voice the wounds of your soul?

Caught in a Web Removed from the world Hanging on by a thread Spinning the lies Devised in my head

Tried to live the life You live and saw It doesn't work for me I bare all that I am Made of now Attractive, I can't be Inside the Dance of Life is one I'll never hold to me

You can't heal the wounds of my soul. You can't heal the wounds of my soul.
