

# Dream Theater, New Millennium

A single star behind me  
A red sky burns ahead  
A lonely light below me  
Awake among the dead  
An overwhelming feeling  
Leaves me numb and strange  
A sense of new beginning  
I sense a wind of change  
Out with the old useless  
People so cold ruthless welcome  
In a new millennium  
How many times must I  
Live out this nightmare I  
Can't wait until a new millennium  
I've got this feeling  
The tide is turning now baby  
Funny feeling everything's gonna be alright now  
Living out a constant de ja vu  
Keep your head up  
Please be patient we will get to you  
Keep your head up  
Just have some faith and you can see it  
Through  
Keep your head up  
But faith don't pay the rent that's overdue  
Keep your head up  
All that's glittering is turning blue  
Keep your head up  
What they want from me ain't gotta clue  
Keep your head up  
Swallow pride before it swallows you  
Keep your head up  
Don't dare bite the hand that's starving you  
Keep your head up  
How can you keep your head  
And not go insane when the only light at the end  
Of the tunnel is another train  
The lies ten feet tall  
Have broken my fall  
Welcome you all new millennium  
It's well overdue and I can't wait to  
Welcome in a new millennium  
I've got this feeling  
The tide is turning now baby  
Funny feeling  
Everything's gonna be alright now
