- Cappeau de Roquemaure (Traditional)

O holy night

The stars are brightly shining

It 'tis the night of our dear Savior's birth

Long lay the world in sin and error pining

'Til he appeared and the soul felt its worth.

A prayer of hope the weary world rejoices

For yonder breaks a new and glorious morn

Fall on your knees

Oh hear the angel voices

Oh night divine

Oh night, when Christ was born

Truly He taught us to love one another

His law is love and His gospel is peace

Chains shall He break for the slave is our brother

And in His name all oppression shall cease

Sweet hymns of joy in grateful chorus raise we,

Let all within us praise His holy name.

Fall on your knees

Oh hear the angel voices

Oh night divine

Oh night, when Christ was born
