

Dream Theater, Prophets Of War

It burns deep down inside of me
We have ourselves to blame
Not questioning, accepted as the truth

Debate this fight, it's just cause
The facts do not support theirs
To liberate a people
And rid them of tyrant rule

Is it time to make a change?
Are we closer than before?
Can we help them break away?
Are we profiting from war?
It's time to make a change

Intrigued
Got your attention - Deceived
Since the inception - Our brave
Fight for what reason

Compelled
Can we clean up this mess
The loss of loved ones
A perverse request
They continue the same rhetoric
These derelicts that profit
Win or lose

Is it time to make a change?
Are we closer than before?
Can we help them break away?
Are we profiting from war?
It's time to make a change

Time for change
Fight the fear
Find the truth
Time for change

The only thing
That I believe
Will help us see this through is faith
Pray they will forgive
Forgive our arrogance
So we can make it right
Right what they have wronged

See you sweat
Unexpected, controversial
Get used to it
Things are gonna get personal
Your sympathy
A pitiful display you stutter
Your empathy
Means nothing if there is no honor
Responsible
Of this you are incapable
We implicate
Incriminate - Exacerbate - Too much at stake
Our Fathers, Mothers
Sisters, Brothers
Sons and Daughters
Forced
Perpetuating their ideals

A mindless act
To stay the course

Is it time to make a change?
Are we closer than before?
Can we help them break away?
Are we profiting from war?

Is it time to make a change?
Are we closer than before?
Can we help them break away?
Are we profiting from war?

Is it time to make a change?
A change from what it's been
Can we help them break away?
Is our patience wearing thin?
It's time to make a change

Time for change
Fight the fear
Find the truth
Time for change
