(Speaking)

Ashley:Spoken:

Dear Justin,

I miss you. I can't believe we're spread apart.

I hope this letter gets to you, from the bottom of my heart.

I love you.

Ashley:I know I was so wrong for saying those things,  
and I'm sorry, baby,  
that I ever made you cry

You are the best thing that ever happened to me

Do we have to say bye-bye?

Holly:Tell me, what road do I have to take?

Tell me, what do I have to say?

'Cause I just can't stop loving you

Tell me what I gotta do to get back to you

Group:Tell me what I gotta do to get back to you

'Cause I can't live without you

Tell me what I gotta do to get back to you

'Cause I can't live without you

Holly:Since you've been away, I can't sleep, baby

I miss you like crazy

and now I realize how much you mean to me

I want you back, baby (what I gotta do?)

Tell me, what road do I have to take?

Tell me, what do I have to say?

'Cause I just can't stop loving you

Tell me what I gotta do to get back to you

Group:Tell me what I gotta do to get back to you

'Cause I can't live without you

Tell me what I gotta do to get back to you

'cause I can't live without you

Holly:Tell me, what road do I have to take?

Tell me, what do I have to say?

'Cause I just can't stop loving you

Tell me what I gotta do to get back to you

Group:Tell me what I gotta do to get back to you

'cause I can't live without you

Tell me what I gotta do to get back to you

'cause I can't live without you
