

# DREAMCAR, Kill For Candy

I didn't leave a thing behind  
But you can't say I didn't try

I didn't take a thing with me  
But please don't say you're left displeased

Miss, you misunderstand me  
Me, I kill for candy

I'd left before you said goodbye  
What's left to say beyond a lie?

What's on our tongues Is less discreet  
Before it dissolves  
It's oh so sweet

Miss, you misunderstand me  
Me, I kill for candy

Let it dissolves on your tongue  
Let me dissolve on your tongue

Miss, you misunderstand me  
Me, I kill for candy
