

# Dreamgirls, Move

"[Dreamettes]"

Move, move,  
Move right out of my life,  
Move, move,  
Move right out of my life

"[Effie]"

You better move (Move)  
You're steppin on my heart  
I said move (Move)  
You're tearing it apart, please move (Please move)  
Oh, what am I gonna do, my heart (My heart)  
Is breakin' breakin' up over you (Breakin' breakin' up over you)

You've got such magnetic power  
That just keeps holding me down (Oooh)  
I feel just like a flower  
That you keepin' stuck the ground

"[Dreamettes]"

Move, move,  
Move right out of my life,  
Move it, move it,  
Out of my life

Move, move!  
Move right out of my life,  
Move it, move it,  
Out of my life

Move, move,  
Move right out of my life,

"[Effie]"

You are so horribly Satanic  
The way you lead me around (Oooh)  
I feel just like the Titanic (Ohhhhh)  
I'm always going down, down, down, down

(Move, move, you're steppin on my style)  
You're steppin on my style, yes you are, I said  
(Move, move, I wanna breathe for a while)  
I wanna breathe for a while  
(Move, move, move right outta my life)  
Hey, baby!  
(Move it, move it, outta my life)  
Hey, baby!  
(Move, move, move right outta my life)  
Get outta my life!  
[Move it, move it, outta my life]

There's too much pain and strife  
So why don't you pack it up and move it, (Move)  
Take the cat, kit, and caboodle (Move)  
Your broken down car (Move)  
Your old smelly cigar (Move)  
And just move right outta my (Move, move, move)  
Move right outta my life! (Move right outta my life!)

"[Dreamettes]"

Please move, move, move, move,  
Please move, move, move, move...
