

# Dreams, Pain

Play the record...

Chorus:

All you do is bring me pain, Boy you crazy, pain, pain  
All you do is bring me pain, Boy you crazy, pain, pain  
All you do is bring me pain, Boy you crazy, pain, pain  
All you do is bring me pain, Boy you crazy, pain, pain

Boy I thought that we'd last forever, I could see it in your eyes  
Threw my hand and lead me blindly, to believe in all your lies  
But now the truth is in the open, and it's all on you (all on you, all on you)  
You leave me so heartbroken, can't you see that you're killing me

Chorus:

All you do is bring me pain, Boy you crazy (crazy over you) pain, pain  
All you do is bring me pain, Boy you crazy (crazy...) pain, pain  
All you do is bring me pain, Boy you crazy (baby you drive me crazy) pain, pain  
All you do is bring me pain, Boy you crazy, pain, pain

You know I wish that you wouldn't lie to me  
But some wishes don't come true (don't come true)  
Time to put the past behind, say goodbye and start anew  
Move on, be gone, it's over... Ooh  
Now you're all alone (baby)  
And I know that you wished that you were here with me...

Chorus:

All you do is bring me pain, Boy you crazy, pain, pain  
All you do is bring me pain, Boy you crazy (going, going out my mind) pain, pain  
All you do is bring me pain, Boy you crazy (you bring me so much pain) pain, pain  
All you do is bring me pain (I can't bare to be with you no more) pain, pain

Rap:

Sup with you, you know it's not fair  
You pay me no attention, when I'm standing right there  
Baby it's all good, and it's all right

You're gonna regret this for the rest of your life  
Cause I'm going on to, I'm about to blow up  
When you see me on TV, and know you messed up  
So remember this song and remember my name  
It's Ashley and Dream, have change the game

Chorus:

All you do is bring me pain, Boy you crazy, pain, pain  
All you do is bring me pain, Boy you crazy, pain, pain

All you do is bring me pain  
(Said to give you my heart and you broke it babe)  
Boy you crazy, pain, pain  
(Because of you I'm going crazy)  
All you do is bring me pain  
(I just can't take it no more)  
Boy you crazy, pain, pain  
(Turn around, walk out the door)

Ooh..., Ooh, Ooh (pain, pain)  
Ooh..., Ooh, Ooh (pain, pain)  
Ooh..., Ooh, Ooh (pain, pain)  
Ooh..., Ooh, Ooh (boy you crazy...)

Said to give you my heart and you broke it babe  
Because of you I'm going crazy (pain, pain)

I just can't take it no more  
Turn around, walk out the door (pain, pain)

Said to give you my heart and you broke it babe  
Because of you I'm going crazy (pain, pain)  
I just can't take it no more  
Turn around, walk out the door (pain, pain)

Said to give you my heart and you broke it babe...
