

# Dredg, I'm Sorry But It's Over

Too Distorted, and complicated  
I'm sorry but it's over  
Essential to awaken  
I'm leaving

Here we are  
that's where it's all about  
I'm sorry but it's over

To love here  
And to love this

I'm finally breathing

before you go there is something more to say (x2)

Persistent resentment,  
I'm sorry but its over  
seduction for destruction  
I'm finally breathing

before you go there is something more to say (x3)
