

Drentch, Lift

heart of stone turned to clay
form me to your ways
Im broken without you
crying out

I lift my eyes
I lift my heart
toward heaven
I see you shining
heavens shining down on me

my eyes are fixed on you
I'm blinded by the truth
I come before you now
crying out

I lift my eyes
I lift my heart
toward heaven
I see you shining
heavens shining down on me

heart of stone turned to clay
form me to your ways
I'm broken without you
crying out

I lift my eyes
I lift my heart
toward heaven
I see you shining
heavens shining down on me
