

Drive-By Truckers, 18 Wheels Of Love

Mama ran off with a trucker
Mama ran off with a trucker
Mama ran off with a trucker
Peterbilt Peterbilt

He is making her give life another stab
They can see the world from way up in the cab

Mama ran off with a trucker.....
Peterbilt Peterbilt

She can quit her job and be his little bride
He can get a local route and stay home by her side
She can fix him roast beast and sweet potato pie
He can eat a lot of it cuz he a big ole guy

They got married in Dollywood
(by a Porter Waggoner lookalike)
18 Wheels of Love

for Mom and Chester, on the occasion of their marriage, July 1994
