

Drive-By Truckers, Road Cases

Got them pretty road cases

Protect our asses, protect our faces, protect our guitars, protect our amps.

Got them pretty road cases throw them out an airplane and they'll just bounce

Paint our name on them road cases, stencil and white spray paint

"Drive-by Truckers" on every one or maybe just "DBT"

Gonna get ourselves a big tour bus, maybe even an airplane

Fly around the world and back.

Hope it don't run out of gas.

Got them pretty road cases

Someday we'll hock our road cases, when we don't need them anymore

To pay off that big cocaine dealer (the only thing they're useful for)

One day we'll sell our road cases, when we don't need them anymore

When we outlive our usefulness,

The only thing road cases are useful for.

Got them pretty road cases.
