

Dropkick Murphys, Denial

In the face of all that's obvious I continue to wreck my life... So set in my ways it's impossible to do

Chorus: Look in the mirror to only see a liars face in front of me I've tried so hard to heed the warni

On with self slaught, the barfly gives in... once again the bottle is judge + jury He's caught in a strug

Chorus:

I made my own bed I'll sit in the mess this poison booze lifestyle is a dear friend And I know it's a li

chorus:

It's real
