

Dropkick Murphys, Tenant Enemy 1

Well its always been about big Money for them, they're greedy and they reek Soaring profits, big gains, The Cash Accumulation Gains is all these cowards seek And they always find a way to kick out the needy

chorus: Tenant Enemy Number One Tenant Enemy Number One

Through excuses and blatant lies Is how they operate And by continuing a parade of Deception the game just continues, How in the name of decency do They sleep?
