

# Drown, Lost

I lay here silent  
How do I tell her  
How far away I feel  
With every breath she tries to hold tighter  
But far away is all I feel

You needed a hand and I tried to be that hand  
But life is yours to hold  
Strap down tight it's going to be a long ride  
It's time you ride alone

Then she said I found god  
But I'm not the god you see  
Don't leave me like this  
Alone, she said  
I died to be with you  
I took my own life with my own hands  
Listen to me  
'Cause I can't save you  
Listen to me - listen  
I've got to save myself

Then she said I found god  
But I'm not the god you see  
Put your nails in me  
She said she's never felt alive

Then she said I found god  
But I'm not the god you see  
And could never be  
No, I can't save you  
Put your nails in me
