

Drowning Pool, Full Circle

The price leaves me, feeling empty
A rusted inside a broken frown
The clock is real, make a deal, risk another hand
The time is now and the payment is my sin

You think it's over, well I've come too far to back down now
You think it's over...

My time to rise above you, it's time to rise above you
We've come, Full Circle
It's time to rise above you, My time to rise above you

When I dream, I breathe easy
A perfect ending, a perfect now
No remorse (no remorse), No regret (no regret)
Ain't got time for simple minded bullshit

You think it's over, well I've come too far to back down now
You think it's over...

My time to rise above you, it's time to rise above you
We've come... Full Circle
It's time to rise above you, my time to rise above you

My life... A crown of thorns
My life... An open door
You think it's over

You think it's over, well I've come too far to back down now
You think it's over...

My time to rise above you, it's time to rise above you
We've come... Full Circle
It's time to rise above you, my time to rise above you

Rise above you
