

Dru Hill, Whatever You Want

Chorus:

Whatever you want
Whatever you need
Anytime you want it
Girl, just get up on it

Ooh Girl you're so fine
Can I get a minute of your time?
I wanna get to know ya
Maybe later up in my crib, i'll get to show ya!
You're blowin my mind
You're one of a kind
Heard you like to get your freak on
Lets get it on!

Chorus

Girl, you're so unique
From your head to your feet
Know you got me open
And it ain't my sack of smokes that got me chokin
You got me on a high
Oh girl, I can't deny
That you keep me satisfied
Roll with me tonight
Tonight I will do
I will keep you satisfied
I will do just what you like
Tonight if you want me to
Anything you want me to
That is what i'm gonna do

Rap

Ooh Aah Ooh Aah Ooh
Give me a little time and i'ma tell you what to do
Come and step up like a champ and i'ma
See if I could check for ya
Looking like a winner, for my dinner
I don't even know ya
But i'ma give you the eyes
And get the numerics, lyrically you're gifted with the gab
Intending to pursue it
Like to get the freak on, like the song
But we got to get familiar
Only then we'll get it on

Chorus
