Hoo...hoo...yeah...  
Mmm...mmm...  
Doo doo doo doo

I told you I was crazy 'bout you  
Loved you from your ankles up  
And almost everything I told you  
I said it just so I could f...f...mmm...

But now that I've done got you, baby  
Seems like we had so much fun  
But when I really think about it  
There's somethin' that you still ain't done for me

The only thing you haven't done for me  
Is show me why your name is ecstasy  
I know you get down  
So girl, why don't you quit playin' 'round

2 or 3, it don't matter when  
I only want you for my special friend  
And there's some things I wanna do to you  
Girl, you know you wanna do it too

I heard so much about you  
I'm so curious 'bout what you do  
Girl, you know I'm goin' down  
'cause my love is comin' down, oh, baby

The only thing you haven't done for me (yeah, yeah)  
Is show me why your name is ecstasy (yeah, yeah, yeah)  
I know you get down  
So girl, why don't you quit playin' 'round (sing it again)

The only thing you haven't done for me (I can see it  
In your eyes)  
Is show me why your name is ecstasy (ooh...ooh...baby)  
I know you get down  
So girl, why don't you quit playin' 'round

Baby, tell me why you wanna get down tonight  
You tell me you don't wanna be a freak, uh  
You tell me why you wasted so much time  
Girl, you know that I  
But what about the sexual things that you like to do  
I'm waitin' here so patiently  
'cause note that it was good

Oh...oh...  
Mmm...mmm...  
Oh, girl, mmm...  
Mmm...mmm...mmm...mmm...  
Hey...hey...  
Doo...ooh...ooh...  
Hey...hey...  
Mmm...mmm...mmm...  
Ha  
Girl, I know

I know you get down  
Hey, why don't you quit playin' games  
The only thing you haven't done for me

Let me see the things

Ooh, I want to, I want to, oh

I know you get down

Oh...

So girl, why don't you quit playin' 'round

It'll bring a tear to my eye

Hey...ey...ey...ey...

Why don't you stop playin' with me, ha

Just let me see, baby

Hey...hey...yeah...

I know you get down (down)

So girl, why don't you quit playin' 'round
