

# Drugstore, Heart Of Honey

I'm feelin' fine  
I close my eyes  
And let the world go  
We'll never die  
On days like these  
I'll let you touch my...

Heart of honey  
Come to me  
Ain't it funny  
You are my honey

I'm feeling fine  
Turn around and  
Let your heart go  
Just do and die  
And for a day  
I'll let you be my...

Heart of honey  
Come to me  
Ain't it funny  
You are my honey

Heart of honey  
Come to me  
Ain't it funny  
You are my honey

You are my honey  
Oh honey
