

# Drugstore, I Wanna Love You Like A Man

I wanna take control  
And I wanna take you  
Ah - aha  
Defenceless !  
Try to understand that my world is so  
Strange  
I need to have hope  
I need to have friends  
And I want you to know  
That you're making me  
So...  
Burning with desire  
And you've set my soul on fire  
We've got all the stars  
We've got the universe and more  
And my heart is filled with passion  
We've got such a soul connection  
And when the time is right, I'm gonna make you understand  
I wanna love you like a man!

I wanna take you home  
I wanna make you  
Up, yeah  
But you don't understand that my life is so  
Strange  
And I sometimes feel low  
Yeah I sometimes feel pain  
But I want you to know  
That you're making me  
So...  
Burning with desire  
And you've set my soul on fire  
We've got all the stars  
We've got the universe and more  
And my heart is filled with passion  
We've got such a soul connection  
And when the time is right, I'm gonna make you understand  
I wanna love you like a man!
