

Drugstore, The Adventures Of Isabel

Once Isabel met an enormous bear
Isabel, Isabel didn't care
The bear was hungry, the bear was anxious
But Isabel, Isabel didn't worry
Isabel didn't scream or scurry
She killed the beaast with her long blond hair
The quietly Isabel ate the bear
Once in a night as black as pitch
Isabel met this horrible witch
Ho Ho Isabel I'm glad to meet you
Ho Ho Isabel I'm going to eat you
But Isabel, Isabel didn't worry
Isabel didn't scream or scurry
She showed no rage, she showed no fear
She killed the witch then she disappeared
Once Isabel met an enormous bear
But Isabel, Isabel didn't care
