

Drunksouls, Barfly

The misfits
At Joe's Bar
They're drinking
Non Stop
Some Whisky
Some Vodka

Ordering Suffering
Suffering Complaining

Give us some more drinks
We don't go far they say
Give us some more drinks
We don't go far

The misfits
At Joe's Bar
From morning
After Dark
Reminds me
Of Laura

Ordering Suffering
Suffering Complaining

Give us some more drinks
We don't go far they say
Give us some more drinks
We don't go far

Come on maam, , I swear I dont drive tonight
We dont go far
Give me one more to forget my sorrow babe

Give us some more drinks
We don't go far they say
Give us some more drinks
We don't go far
