

Drunksouls, I'll Be There

I'll be there
Even if you don't care
I'll go thru
All the things we'll never share

I'll be there
Even if you don't want me
To be there
Cause you know all that's on our way

Cause I'm not that type of guy
I Swear
Who'll leave you alone to cry
I Swear
I don't wanna let you fall
I Swear
You can count on me babe

I'll be there
Even if you don't care
I'll go thru
All the things we'll never share

I'll be there
Even if you don't want me
To be there
Cause you know all that's on our way

Cause I'm not that type of guy
I Swear
Who'll leave you alone to cry
I Swear
I don't wanna let you fall
I Swear
You can count on me babe
