

# DSDS, Angel

spend all your time waiting  
for that second chance  
for a break that would make it okay  
Sarah there's always some reason  
to feel not good enough  
and it's hard at the end of the day  
McLachlan i need some distraction  
oh beautiful release  
memory seeps from my veins  
Angel let me be empty  
and weightless and maybe  
i'll find some peace tonight  
Songtexte  
in the arms of an angel  
fly away from here  
from this dark cold hotel room  
Songtext and the endlessness that you fear  
you are pulled from the wreckage  
Lyrics of your silent reverie  
you're in the arms of the angel  
Lyric may you find some comfort here  
so tired of the straight line  
Liedertexte and everywhere you turn  
there's vultures and thieves at your back  
Liedertext and the storm keeps on twisting  
you keep on building the lies  
Alle that you make up for all that you lack  
it don't make no difference  
Sarah escaping one last time  
it's easier to believe in this sweet madness oh  
McLachlan this glorious sadness that brings me to my knees  
in the arms of an angel  
Angel fly away from here  
from this dark cold hotel room  
and the endlessness that you fear  
Songtexte you are pulled from the wreckage  
of your silent reverie  
you're in the arms of the angel  
Songtext may you find some comfort here  
you're in the arms of the angel  
Lyrics may you find some comfort here
